

# Mansoor Ali

As a skilled Web App Developer, I have developed and maintained high-quality web applications for over 1.5 yrs using PHP, Laravel, Ajax, Jquery and MySQL. I excel at utilizing these tools to create highly interactive web applications. I learn fast, collaborate effectively, pay meticulous attention to detail, and am passionate about staying up-to-date with the latest technologies, and seeking to join a team of experts to drive my software development career forward.

## PROJECTS

### Case management system (Project @ Legal Aid Society)
